

Ideanomics MEG Announces 200 EV Order from Neijiang City, Sichuan Province

- **Total order valued at RMB 24 Million or USD 3.2 Million**
- **Order will be fulfilled with Dongfeng Liuzhou S50EV models**
- **Delivery expected to be completed by mid-July 2020**

NEW YORK, June 22, 2020 /PRNewswire/ -- [Ideanomics](#) (NASDAQ: IDEX) ("Ideanomics" or the "Company") is pleased to announce that its subsidiary Mobile Energy Global (MEG) has secured an order from the city of Neijiang in Sichuan Province.

The order is for a total of 200 electric vehicles (EVs) valued at RMB 24 Million, or USD 3.2 Million, or approximately USD 16,000 per vehicle. The order will be fulfilled with [Dongfeng Liuzhou S50EV](#) models and, subject to final negotiations with manufacturers, financing, government licensing, etc., delivery of the vehicles to Neijiang City is expected to be completed mid-July.

The US GAAP accounting treatment for the anticipated revenue from the above orders will not be finalized until the order transactions complete. Consequently, the revenue may be reported on a Gross or Net basis and some portion may be deferred to future accounting periods.

The company is headquartered in New York, NY, and has offices in Beijing and Qingdao, China.

Safe Harbor Statement

This press release contains certain statements that may include "forward looking statements". All statements other than statements of historical fact included herein are "forward-looking statements." These forward-looking statements are often identified by the use of forward-looking terminology such as "believes," "expects" or similar expressions, involve known and unknown risks and uncertainties, and include statements regarding our intention to transition our business model to become a next-generation financial technology company, our business strategy and planned product offerings, our intention to phase out our oil trading and consumer electronics businesses, and potential future financial results. Although the Company believes that the expectations reflected in such forward-looking statements are reasonable, they do involve assumptions, risks and uncertainties, and these expectations may prove to be incorrect. You should not place undue reliance on these forward-looking statements, which speak only as of the date of this press release. The Company's actual results could differ materially from those anticipated in these forward-looking statements as a result of a variety of risks and uncertainties, such as risks related to: our ability to continue as a going concern; our ability to raise additional financing to meet our business requirements; the transformation of our business model; fluctuations in our operating results; strain to our personnel management, financial systems and other resources as we grow our business; our ability to attract and retain key employees and senior management; competitive pressure; our international operations; and other risks and uncertainties disclosed under the sections entitled "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" in our most recent Form 10-K and Form 10-Q filed with the Securities and Exchange Commission, and similar disclosures in subsequent reports filed with the SEC, which are available on the SEC website at www.sec.gov. All forward-looking statements attributable to the Company or persons acting on its behalf are expressly qualified in their entirety by these risk factors. Other than as required under the securities laws, the Company does not assume a duty to update these forward-looking statements.
