

DISCLOSURE AND FORWARD-LOOKING STATEMENTS

This presentation contains certain statements that may include 'forward looking statements' within the meaning of federal securities laws. All statements, other than statements of historical facts, included herein are 'forward-looking statements.' Although the Company believes that the expectations reflected in these forward-looking statements are reasonable, they do involve assumptions, risks and uncertainties, and these expectations may prove to be incorrect. You should not place undue reliance on these forward-looking statements, which speak only as of the date of this presentation.

The Company's actual results could differ materially from those anticipated in these forward-looking statements as a result of a variety of factors, including those discussed in the Company's periodic reports that are filed with and available from the Securities and Exchange Commission. All forward-looking statements attributable to the Company or persons acting on its behalf are expressly qualified in their entirety by these factors. Other than as required under the securities laws, the Company does not assume a duty to update these forward-looking statements.

The financial information and data contained in this presentation is unaudited and does not conform to the Securities and Exchange Commission's Regulation S-X. This presentation includes certain estimated financial information and forecasts that are not derived in accordance with generally accepted accounting principles (GAAP), and which may be deemed to be non-GAAP financial measures within the meaning of Registration G promulgated by the Securities and Exchange Commission.

The Recipient acknowledges that US securities laws prohibit any Person who has received from an issuer any material, non-public information from purchasing or selling securities of such issuer or from communicating such information to any other Person under circumstances in which it is reasonably foreseeable that such Person is likely to purchase or sell such securities.
